1. Buyer

1.1 Buyer

Official name: Stichting Wetenschappelijk Onderzoek Verkeersveiligheid

Legal type of the buyer: Body governed by public law

Activity of the contracting authority: General public services

2. Procedure

2.1 Procedure

Title: Videorecordings and traffic safety analyses of Dutch urban and rural roundabouts
SWOV is preparing a site-based conflict observation study on the safety of cyclists and pedestrians on Dutch roundabouts for motorised traffic. The objective is to obtain a quantitative picture of the safety effects of design features at selected roundabouts in urban and rural areas of the Netherlands. Main required quantitative outcome measures: Time To Collision, Post Encroachment Time, traffic flow per modality, speed and trajectory per road user. Important roundabout design features: -Cyclists having priority /no priority crossing a road attached to the roundabout. -One/two direction cycle paths. - Distance from roundabout area to cycling/pedestrian crossing. -Separate cycling infrastructure or cyclists sharing the roundabout. SWOV seeks a Contractor to: -Record video data with two cameras for two weeks per roundabout including getting permits for video recording per authority -Perform safety and behaviour analysis -Deliver analyses/data Number of roundabouts: 30 - 40. The number of roundabouts to be contracted is at minimum 30. Additionally 10 roundabouts can be contracted as options.

Description:

2.1.1 Purpose

Main nature of the contract: Services

Main classification 92100000 Motion picture and video services (cpv):

Additional classification 72300000 Data services (cpv):

Additional classification 92110000 Motion picture and video tape production and related services (cpv):

2.1.2 Place of performance

Country: Netherlands

Anywhere in the given country

2.1.3 Value

Estimated value excluding VAT: 350 000 Euro

2.1.4 General information

In 2024 and 2025 road authorities have agreed to participate in the study. SWOV aims with the tender to give substance to the planning and content as agreed with the road

Additional information: authorities. The publication of the notice of assignment is scheduled at June 2nd 2025, aiming to contract the winning tenderer early September 2025. This implies that we follow a realistic although tight planning in order to achieve our aim. Questions addressing the published notice can be asked up to and including June 16th 2025. SWOV publishes this advanced notice because it expects high quality tenders. SWOV invites qualified entrepreneurs to put on their agendas the publication date the notice of assignment of June 2nd 2025.

Legal basis:

Directive 2014/24/EU
